

# Jefferson Airplane, When the Earth Moves Again

In golden Hannibal Carthage days marchin' onto Rome  
knockin' on the door and findin' nobody home there  
Rome she cut our army down and left them in the snow so now  
I go to where I come from now I go home to the Sun  
When the earth moves again  
when the earth moves again my friend  
let the lady ride on through  
when the earth moves again  
Egyptian kings they sing of Gods and pyramids of stone  
and they left the deserts clean and they left the deserts  
golden and shinin' as a beacon for those that need a road  
into the day and thru the night we go and find our way home  
when the earth moves again  
my love to all the people I leave behind  
search out the new ground around you  
when the earth moves again  
your head can pull your body around  
and you can leave whenever you can and the ground  
take what you and on the land sea foam glass is sand  
if you've only lived on earth you've never seen the sun  
or the promise of a thousand other suns that glow beyond here  
and if you care to see the future look into the eyes  
of your young dancing children don't be afraid of our ways  
when the earth moves again  
when the earth moves again  
watch the lady ride and sigh  
when the earth moves again  
Moses Moses the red sea closes over you when you  
least expect it to  
when the earth moves again  
when the earth moves again
