

# Jefferson Starship, Count On Me

Precious love, I'll give it to you  
Blue as the sky and deep  
In the eyes of a love so true

Beautiful face, you make me feel  
Light on the stairs and lost  
In the air of a love so real

You can count on me  
Count on my love  
Count on me  
Count on my love  
To see you through

Emerald eyes and China perfume  
Caught on the wheel and lost  
In the feel of a love so soon

Ruby lips, you make my song  
Into the night and saved by  
The light of a love so strong  
You can count on me

Count on my love  
Count on me  
Count on my love  
To see you through

Woo hoo hoo hoo  
You can count on me, girl  
(Count on me)  
You can count on my love  
(Count on my love)

Precious love, I'll give it to you  
Blue as the sky and deep  
In the eyes of a love so true

Beautiful face, you make me feel  
Light on the stairs and lost  
In the air of a love so real

You can count on me  
Count on my love  
Count on me  
Count on my love
