

# Jefferson Starship, Crazy Feelin'

I love you so you'll never know  
don't ever stop believing  
out of our minds time after time  
it's such a crazy feelin'

Feelin' good feelin' high  
feel so free I wanna fly  
feel the sun feel the ground  
feel it just go round and round

I wanna stay day after day  
and just a little longer  
you close to me I gotta be  
you know the love gets stronger

Ooo turnin' like a wheel  
changin' it to real  
whenever we are one  
it's true it's always me and you  
thru any kinda weather...
