

Jefferson Starship, Runaway

You don't know how much I love you
but I love you like the sun
I'd like to put my arms around you
and we could runaway

if you knew how much I miss you
oh and I miss you more and more each day
I'd really like o come and see you
and we could runaway
sun is comin' and it's getting warmer
they tell me spring is just around the corner
I been sitting watchin' all the flowers
birds are singin' getting louder and louder

and here I am missin' you
and here I go I'm lovin' you
run run run run runnin'
if you knew how much I need you
oh and I need you like the air
and if someone should takey you from me
well then I'd runaway...
