

# Jefferson Starship, With Your Love

Don't know what's happened  
To me since I met you  
Feel like I'm falling in love  
Since I met you

I got to know what you doing  
Doing to me with your love  
(With your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, baby  
It feels so good, whatever it is

Knew from the start  
It had to be you  
You got my heart  
I don't know what  
I'm gonna do with your love

Heaven sent a sign that sent you  
I'm going out of my mind  
Since I met you

I got to know what you doing  
Doing to me with your love  
(With your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, baby  
It feels so good, whatever it is

Whatever it is and  
Whatever it's called  
I know that it's you  
I can't help gettin' involved  
With your love

With your love  
With your love  
With your love

Whatever you did to me  
Well, you sure did it good  
My heart's filled with loving  
And I knew that it would  
With your love

Don't know what's happened  
To me since I met you  
I feel like I'm falling in love  
Since I met you

I got to know what you doing  
Doing to me with your love  
(With your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, doing to me  
With your love (with your love)  
What you doing, baby

It feels so good, whatever it is

Knew from the start  
It had to be you  
You got my heart  
I don't know what  
I'm gonna do with your love

Baby, sweet baby
