

# Jeffree Star, Picture Perfect

You love the way that I roll.  
The shoes, glam, and the gold.  
It's too much for your soul.  
It's gonna leave you empty.  
You need to fill the void.  
You don't need Sigmund Freud.  
I'll give you everything you want.  
Just let me take you on.  
You can't resist all the glare.  
You still stop and stare.  
You think you know me, but you still can't wait to hear some more.  
I'm like the air around you.  
I'll leave you breathless.  
Just count 1...2...3  
I'll make you scream.

(CHORUS)

They say I'm picture perfect.  
They say I'm oh so fine.  
They see what's on the surface.  
But not what's on my mind.  
They say I'm picture perfect.  
They say I'm oh so fine.  
They see what's on the surface.  
But not what's on my mind.  
I'm all you want.  
I'm all you need.  
You just don't know it, but you'll see.  
I'll make you love me, make you hate me.  
There is no way out now.  
You're in my trap.  
I'm in control.  
There's no escape from me I'm told.  
Just try to make it through the night, cus there is no way out now.  
I'm in your dreams and your thoughts.  
I'm in the atmosphere.  
You're under pressure dear.  
You'll soon be full of fear.  
Don't let your vision ....(?)  
You'll never find your way back.  
When I'm around, everything fades into black.  
To dare to look in my eyes.  
I'd say it's rather unwise.  
You see the beauty, but you don't know that they hypnotize.  
You don't even know.  
But you will soon realize.  
That I can change the way you think, and what you idealize.  
I'm all you want.  
I'm all you need.  
You just don't know it, but you'll see.  
I'll make you love me, make you hate me.  
There is no way out now.  
You're in my trap.  
I'm in control.  
There's no escape from me I'm told.  
Just try to make it through the night, cus there is no way out now.  
I'm all you want.  
I'm all you need.  
You just don't know it, but you'll see.  
I'll make you love me, make you hate me.  
There is no way out now.  
You're in my trap.  
I'm in control.  
There's no escape from me I'm told.  
Just try to make it through the night, cus there is no way out now.

You know you can't stop looking at my glare.  
I'll make your heart stop, love is in the air.  
I'll make you mine, I'll take you anywhere.  
I'm all you want.  
I'm all you need.  
You just don't know it, but you'll see.  
I'll make you love me, make you hate me.  
There is no way out now.  
You're in my trap.  
I'm in control.  
There's no escape from me I'm told.  
Just try to make it through the night, cus there is no way out now.  
I'm all you want.  
I'm all you need.  
You just don't know it, but you'll see.  
I'll make you love me, make you hate me.  
There is no way out now.  
You're in my trap.  
I'm in control.  
There's no escape from me I'm told.  
Just try to make it through the night, cus there is no way out now.
