

Jeffree Star, Prisoner

i got no regrets.
and i remember the day that we met.
there was no way that i could forget you.
so i followed you home and i waited til you were alone.
and i crept into the room while you slept
and layed next to you, and i knew
that i could never have let you go.
i know this seems so wrong
but i'm just a lovesick criminal
you can go arrest me, baby.
i don't wanna leave.
lock me up throw away the key.
i don't care if i'm in trouble deep.
i'm addicted to your love.
i'll be your prisoner.
i'll be your prisoner tonight.
i-i-i-i'm under your spell.
and i just can't get enough.
you woke up to me staring at you in your sleep
like a deer in the headlights, i couldn't see
anything else but the way you breathe.
and you screamed at the top of your lungs,
you couldn't believe it. you thought you were dreaming
i knew i never wanted you to let me down..
i know this seems so wrong
but i'm just a lovesick criminal

you can go arrest me, baby.
i don't wanna leave.
lock me up throw away the key.
i don't care if i'm in trouble deep
i'm addicted to your love.
i'll be your prisoner.
i'll be your prisoner tonight.
i-i-i-i'm under your spell.
and i just can't get enough.
i wanna pay for all the consequences
believe me, i have the worst intentions.
never let you go..
you can go arrest me, baby.
i don't wanna leave.
lock me up throw away the key.
i don't care if i'm in trouble deep
i'm addicted to your love.
i'll be your prisoner.
i'll be your prisoner tonight.
i-i-i-i'm under your spell.
and i just can't get enough.
i'll be your prisoner
tonight.
i'll be your prisoner
i-i-i-i'm under your spell,
and i just can't get enough.
