

# Jeffrey Osborne, Let Me Know

You come when you want  
You take what you need and then you're off  
Gone with the wind  
I wonder when this will end  
When will you stay with me for more than a day  
Is there a chance  
Or am I asking for a little bit too much again  
Is there are a ray of hope  
Is it impossible  
Don't leave me hanging on when

All you have to do is let me know  
Let me know what's going on inside of your heart  
All you have to do is let me know  
Let me know if I should start changing my life  
Changing my life

Yes I'm to blame  
Cause I let you have it your way  
Is it too late  
Down to the road to heartache  
To tell you the truth  
Baby it's left up to you  
What will it be  
Just the say the word  
And I'll be yours for eternity  
Is there a ray of hope  
Give me a yes or no  
Don't leave me hanging on when

All you have to do is let me know  
Let me know what's going on inside of your heart  
All you have to do is let me know  
Let me know if I should start changing my life  
Changing my life

So many nights  
I sat alone up and I've cried  
I'm real but I did  
So many tears  
Waiting for you  
Not knowing what else to do  
But never again, ohh noooo

Maybe I'm asking for a little bit too much again  
I just need a ray of hope  
If it's impossible  
Dont leave me hanging on, when something's wrong

Cause all you have to do is let me know  
Let me know what's going on inside of your heart  
All you have to do is let me know  
Let me know if I should start changing my life  
Changing my life (repeat)
