

Jeffrey Osborne, You Should Be Mine (Woo Woo

When you want all the warmth that you deserve
And the heat is on your mind
Don't you even think about it
I'll be there just wrapped around you
I can't hold back what I feel inside. Its just a fact

1st chorus
That you should be mine. Anything you want
Youve got to fortify my love, you fortify me,
You should be mine. Anything you want
Youve got to fortify my love

2nd chorus
And you woo-woo-woo, and you woo-woo-woo
And you woo-woo-woo.
You should be mine, all mine

Any way that your heart has been denied
Ooh, you can come to me
Every time that were together
Just becomes the good thing weve got
Something this good can't be defined. One things for sure

1st chorus
2nd chorus x 2

In the height of your worries
Worries runnin too deep for you
When it all becomes too much, too much, too much
I'll pull you through
I can't hold back, what I know inside. Its just a fact

1st chorus
2nd chorus x 3
