

Jeffries Fan Club, I'm Not the Type

Thinking of her brings to mind
The thought that it took too long and it wasn't right
I tried to tell her slow
I tried to tell her softly
But she didn't want to hear she didn't want to care anymore
Maybe you should know
I'm not the type, you can't hold me down for long
I'm not the type
I'm not the type, all the things that I've done wrong
I'm not the type
Every night was the same
She only wanted to be with me
But I think I'm too young much too young to be that way
When will I learn
I don't think I ever will
No matter what I try it never turns out right anyway
Maybe you should know
I got so tired of lies
I couldn't look into her eyes
So I kept it all inside
It ate me up alive everyday
I tried to tell her slow
I tried to tell her softly
But she didn't want to hear
She didn't want to care anymore
Maybe you should know
