

# Jeffries Fan Club, I Want More

My wife says I don't spend enough time with her  
I spend too much time at work  
I've gotta stay that extra hour  
I've gotta make that extra dollar  
If you want to be the best you've gotta work  
I know that I have everything  
But it's not enough for me  
I know I have everything  
But I want more  
Some day I'll be the richest man  
Being lazy I can't stand  
I don't have fun and I don't live  
I love to take but I don't give  
Someday I'll be the richest man
