

Jeffries Fan Club, Something Good

Well I don't think I wanna be placed so high above
And I don't think I need to be filled with all your empty love
Everything I need I have that and so much more
And I don't ever wanna be with you like I was before
This is the end of something good
I can't change but I wish I could
This is the end of something good and I wish I could
I'm a little bit tired and a little bit lazy
A little bit scared and a little bit crazy
But I don't think I care at all
I'm a little bit lost and a little confused
A little worn out and just a little abused
But I don't think I care at all
Whatcha gonna do to me now that you know
Everything I did it was all a show
Whatcha gonna do to me now that you know
I'm not the one
I don't think I mind
And I don't think I care
And I don't think I'll change at all
