

Jem And The Holograms, Imagine Me

Imagine me
Free from care
Light as a feather floating on air
Imagine me
Can't you see how lovely it would be

Imagine me
breezing through
Never a worry nothing to do
Imagine me
What a lovely fantasy

Everything's going my way
Everything's rolling along
No pain, no strain
I can't complain
Life is a happy song

Imagine me
Coasting by
Solving my problems easy as pie
Life as simple as ABC
Baby just imagine me

Imagine me
Imagine me!
