Jem And The Holograms, Imagine Me

Imagine me
Fee from care
Light as a feather floating on air
Imagine me
Can't you see how lovely it would be

Imagine me breezing through Never a worry nothing to do Imagine me What a lovely fantasy

Everything's going my way Everything's rolling along No pain, no strain I can't complain Life is a happy song

Imagine me Coasting by Solving my problems easy as pie Life as simple as ABC Baby just imagine me

Imagine me!
