

Jem And The Holograms, Let Me Go

Jem:

Let me go, set me free

And let me fly

Mackie:

If you go, don't you know

That I will die

Jem:

Let me go

I will see you soon again

Mackie:

If you go

I will be the unhappiest of men

Jem:

Let me go, I'll return to you I swear

Let me go in your dreams I'll still be there

Mackie:

Let me go

You must pack your bags and go

Jem:

Though I'll go

I'll be back before you know

Let me go, I'll return to you I swear

Let me go, in your dreams I'll still be there

Mackie:

I must let (let)

You (me)

Go
