

Jem And The Holograms, Theme Song

Jem...
Jem is excitement!
Oouu Jem...
Jem is adventure!
Ooouu...
Glamour and glitter,
Fashion and fame!

Jem...
Jem is truly outrageous
Truly, truly, truly outrageous
Woo ooo Jem...
Jem
the music's contagious (outrageous)

Jem is my name
No one else is the same
Jem is my name

But we're the misfits
Our songs are better
We are the misfits (the misfits)
and we're gunna get her

(Repeat everything, then below...)

But we're the misfits
Our songs are better
We are the misfits (the misfits)
and we're gunna get her

Jem (Jem)
The music's contagious (outrageous)
Jem is my name
No one else is the same
Jem is my name
(JEM)
