

Jem And The Holograms, You'll Never Win My Love

You'll never win my love
Coming on so strong
You'll never win my love
You're going at it all wrong
You'll never win my love
Acting cruel or mean
You'll never win my love
Unless you change your routine
If you abuse me, you'll only lose me
You'll never make me care
Give me a rough time, you'll have a tough time
You'll never get anywhere
What are you thinking of
When you get unkind
You'll never win my love
Without a new frame of mind
If you abuse me, you'll only lose me
You'll never win my love
