

# Jem, I Always Knew

I always knew I would one day be here  
But I couldn't be a puppet on a string  
I've had my fights, often I've been KO'd  
But I've got back up, no I won't give in  
And now I know how it works  
If you're too nice, you lose

I'm gonna make it to the top, well let me show you  
And if I've got to toughen up then that is what I'll do  
Don't make me your master, baby, you'd be crazy that's for sure  
Becoming a bitch is not what I got into music for

I remember back to a bench in Wales  
Where two young boys started mocking me  
I looked at them, thought, "I'll show you one day"  
But I didn't fight or stand up for me  
And that young girl's learn the hard way  
If you're too nice, you lose

I'm gonna make it to the top, well let me show you  
And if I've got to toughen up then that is what I'll do  
Don't make me your master, baby, you'd be crazy that's for sure  
Becoming a bitch is not what I got into music for

I'll make it crystal clear that I am not going anywhere  
As long as there is music, I'll be here

I'm gonna make it to the top, well let me show you  
And if I've got to toughen up then that is what I'll do  
Don't make me your master, baby, you'd be crazy that's for sure  
Becoming a bitch is not what I got into music for

I'm gonna make it to the top, well let me show you  
And if I've got to toughen up then that is what I'll do  
I've sold you a million, baby, not just maybe, that's for sure  
Given the chance I'll show you I can sell a million more
