Jem, I Want You To...

Maria, salimos esta noche? -Ay, no se. Maria, igual encuentras un chico guapo. -No se, estoy cansada. Sabes que? Que vas a salir y ser una gran noche.

Spinning round and I touch the ground An' I, let go of my mind Let the music take over my body An' I start to unwind Feel the heat as I rock the beat An' I see your sexy smile Intense attraction, bodies like magnets My, thoughts start to run wild

De arriba nace el amor

I want you to love me I want you to touch me I want you to know me I want you to show me I want you to love me I want you to touch me I want you to know me I want you to...

Moving forward and arching back With that, hot look in your eye Up so close I can feel you touching me No time to be shy Head to head no I won't be lead Well I, I'll put up a fight Feel the bass, now my pulse is racing And, I'm flying tonight

De arriba nace el amor

I want you to love me I want you to touch me I want you to know me I want you to show me I want you to love me I want you to touch me I want you to know me I want you to...

De arriba nace el amor

I want you to love me I want you to touch me I want you to know me I want you to show me I want you to love me I want you to touch me I want you to know me (De arriba nace el amor) I want you to show me I want you to love me I want you to touch me I want you to know me (De arriba nace el amor) I want you to...
