

Jen Foster, Ready To Go

Broke-down

Stuck here in the same old place that we've been
For so many years, Baby, please don't hold me back
I'm ready to go

Burnt-out

Void of any power, I realize now I gave it up so freely
And left myself in your

Complete control

How can I blame you for wanting us to stay the same?

Why would you change us when everything goes your way?

It's up to me now

Baby, I'm ready to go away, so far away

I have got to find myself again

Don't hold me back

I'm finally ready to go

Hold tight

Baby, don't persuade me to stay, I just might

For fear of how your voice cuts me and how your hands choke me

Please let me go

Free fall

Closer to the ground than I thought

What a rush, amazing what a woman can do

When she is ready to face the unknown

And I dream of happiness that no one can ever take away

From deep within me to the edges of all time and space

Maybe it's out there

Baby, I'm ready to go away, so far away

I have got to find myself again

Don't hold me back

I'm finally ready to go

Baby, I'm ready to go away, so far away

I have got to find myself again

Don't hold me back
