

# Jenna G, Gentleman (Remix)

(Jenna)

I thought u were a gentleman but i guess ur not

well, its not only that i thought u were a perfect gentleman, but i was wrong to think that u would be there 'till the end cuz u dont talk no more and dont show nothin, i dont really understand,

(chorus)

I mistook u for a real good man  
I let you take my heart into your hands  
but i thought u were my friend  
but i guess that i was wrong, should a known it all along  
you aint, you aint no gentleman  
i put ma trust in u  
u couldnt see me through  
ur not worthy of a gurl like me  
u aint no gentleman  
now i can see through u  
u played me for a fool  
now i say &quot;whats that supposed to be&quot; x2
