

Jenni Rivera, Where Did Our Love Go?

Baby, baby
Baby don't leave me
ooh, please don't leave
all by myself

I've got this burning, burning, yearning
feeling inside me
So, deep inside me
and it hurts so bad

You came into my heart
So tenderly
With the burning love
That stings like a bee

Now that i've surrendered
So helplessly
You now wanna leave
ooh, you wanna leave me

baby, baby
Where did our love go
ooh, don't you want me
don't you want me no more

Baby, baby where did our love go
And all your promises
All my love forever more

I've got this burning, burning, yearning
Feeling inside me
So, deep inside me
And it hurts so bad

Before you won my heart
You were a perfect guy
And now that you've got me
You wanna leave me behind

Baby, Baby
where did our love go
oh dont you want me
dont you want me no more
Baby,Baby, ooh, Baby, Baby

Baby, Baby
Where did our love go....
