I'm going solo lo lo lo lo lo

I'm going solo lo lo lo lo lo

Used to be your girl

Now I'm used to being the GOAT

You're sittin' on your feelings

I'm sittin' on my throne

I ain't got no time for the troubles in your eyes

This time I'm only lookin' at me, myself and I

(I'm goin' solo)

I'ma do it on my own now

Now that you're alone, got you lookin' for a clone now

(So low) That's how I'm gettin' down

Destined for this and the crown

Sing it loud like
