

Jennifer Brown, Find Me An Angel

ooo ooo

VERSE

Sitting in my bedroom
thinking of a love gone
wondering why it went wrong
over again

You didn't really know me
but it feels like you owe me
but I guess at least you showed me
not to do it again

BRIDGE

'Cause I've been knocked out
found out
about something to turn around
'cause I got to find the one thing that will get me over you

CHORUS

so, one day you gotta find me angel
someone to save me
someone to put me back together again
one day you gotta send me an angel
'cause I'm back at the beginning
but I'm holding out for more
this time

ooo ooh hey yeah

VERSE

I'm tired of being lonely
I'm getting to it slowly
I'm running out of patience
Running out of strenght

There's gotta be a reason
for everything I'm feeling
but I think I've learned my lesson
never do it again

BRIDGE

'Cause I've been knocked out
found out
about something to turn around
'cause I got to find the one thing that will get me over you

CHORUS

So, one day you gotta find me angel
someone to save me
someone to put me back together again
one day you gotta send me an angel
'cause I'm back at the beginning
but I'm holding back for more
this time

I'm not unbreakable
But what I'm trying to say
is that I don't think I am capable of doing this alone

CHORUS X 2

So, one day you gotta find me angel
someone to save me

someone to put me back together again
one day you gotta send me an angel
'cause I'm back at the beginning
but I'm holding out for more
this time
