

# Jennifer Brown, When I Look In The Mirror

Every morning I wake  
and I stare at my face  
And it feels as cold  
as the air in this place  
There's a look in my eyes  
that even I haven't seen before  
So I'm thinking of you  
while I'm looking at me  
And I'm trying to be someone  
you want me to be  
And it's pushing me closer  
to making you sleep on the floor

Someone tell me how can you  
love somebody when  
you don't feel a thing?  
When you gonna make  
up your mind?

Chorus:  
Because when I look in the mirror  
I say "You'll never know  
if you don't know by now"  
I'm asking when will it be clearer  
Coz the reflection's staring back  
at me and I don't know who I am  
Any more

It's the end of the day  
and I'm fading away  
Like the sound of the words  
that I'm trying to say  
And I don't even know  
how we got this far  
Now I'm alone in the dark  
and I don't have the heart  
To tell you I'm happier  
when we're apart  
And I think to myself  
That we were close but no cigar

Someone tell me how can you  
love somebody when  
you don't feel a thing?  
When you gonna make  
up your mind?

Chorus:  
Because when I look in the mirror  
I say "You'll never know  
if you don't know by now"  
I'm asking when will it be clearer  
Coz the reflection's staring back  
at me and I don't know who I am  
Any more

I think it's time for me  
to take control of this  
So I can recognize myself again...

Chorus:  
Because when I look in the mirror  
I say "You'll never know  
if you don't know by now"

I'm asking when will it be clearer  
Coz the reflection's staring back  
at me and I don't know who I am  
Any more
