

# Jennifer Chung, Almost

It's been a while, it's been a while.  
Since you've said hi.  
It's been a while, it's been a while,  
Since our last goodbye.  
It's been a while, it's been a while,  
& I still haven't cried.  
I'm surprised.  
I haven't called, I haven't called,  
You see I've been strong.  
You' haven't called, you haven't called,  
I guess nothing's wrong.  
God called, He called.  
Says it's going to be okay.  
It's for His glory.  
So live your life and do what you got to.  
It's only at night when I really miss you.  
But the morning comes - bringing a new day and everything seems to start over again.  
Have you been good? Have you been great?  
Most likely.  
I've been good, I've been great,  
Just keeping busy.  
And we should since as of late,  
Time just passes by.  
We don't even have to try.  
So live your life and do what you got to.  
It's only at night when I really miss you.  
But the morning comes - bringing a new day and everything seems to start over again.  
One day you'll see.  
One day you'll know me as the girl that you let go.  
It was, so close - almost.  
So live your life and do what you got to.  
It's only at night when I really miss you.  
But the morning comes.  
The morning comes
