

Jennifer Chung, I Don't Know, Let's Sing

Hi, it's very very nice to meet shoes
I mean, very nice to meet you.
Have we met before 'cause I recall your presence in my dreams.
You say you've heard a lot about me.
So what is it you know exactly?
That I'm meant for you and you were perfectly made just for me.
Seems like we get along just fine
So why don't we just take our time 'cause we have that and more and we don't know what God has
Lalala you make me sing.
Lalala you make me sing.
The ooh's the aah's the riffs, everything.
Lalala it's so crazy
Lalala that you're here with me
And I hope that this story of ours ends happily.
Here, it's my cellular phone number
'cause this girl's hoping that you will call her
And we'll go on a date, but we won't stay out late unless
We get into deep conversation
About life and stuff like past relations
And then hours will pass and we'll work on making things last
Lalala you make me sing.
Lalala you make me sing.
The ooh's the aah's the riffs, everything.
Lalala it's so crazy
Lalala that you're here with me
And I hope that this story of ours ends happily.
I don't know why we met so late
I don't know if we met too soon
I don't know, but I know that you are here.
I don't know if we're meant to be.
I don't know, we'll just have to see.
I don't know, but I know that you make me sing!
Lalala you make me sing.
Lalala you make me sing.
The ooh's the aah's the riffs, everything.
Lalala it's so crazy
Lalala that you're here with me
And I hope that this story of ours ends happily.
Do you hope that this story of ours ends happily?
Then would you please join and sing this song with me?
