Jennifer Ellison, Baby, I Don't Care

Well, you can give me all your love And anything else you got too But don't hate any mind If it seems like I'm acting cool

Well, you can dress me in your mirror Give me kisses forever and a day, yeah But theres just one thing you don't have to say

'cos you don't have to say you love me And you don't have to say you care No, you don't have to say you love me Baby, it's alright

'cos honey I don't care Oh, baby I don't care Oh, honey I don't care Oh, honey I don't care

Well you can turn the lights down low 'cos somethings are better that way, yeah And you can tell me all your stories But please spare me the face

'cos you don't have to say you love me And you don't have to say them tears No, you don't have to say you love me Baby, it's alright

'cos honey I don't care Oh, baby I don't care Oh, honey I don't care Oh, honey I don't care

Well you can give me all your love And anything else you got too But don't hate any mind If it seems like I'm acting cool

Well, you can dress me in your mirror Give me kisses forever and a day, yeah But theres just one thing you don't have to say

'cos you don't have to say you love me And you don't have to say you care No, you don't have to say you love me Baby, it's alright

'cos honey I don't care I don't care Oh, baby please believe me I don't care Oh, honey I don't care oh, honey i dont care oh honey i dont care
