

# Jennifer Hanson, One Little Word

(Jennifer Hanson/Billy Austin/Greg Barnhill)

Sometimes it seems like we're just  
Going nowhere  
Sometimes it feels like you don't care  
I threw up my hands and say  
It's just too hard and then

One little word, one little touch  
One little look can mean so much  
Baby, you get me to believe  
In everything we can be  
You don't know what it's worth  
Oh to hear one little word

Sometimes it seems like you're so far away  
There's nothing left for us to say  
Just when I think our love don't live here anymore

One little word, one little touch  
One little look can mean so much  
Baby, you get me to believe  
In everything we can be  
You don't know what it's worth  
Oh to hear one little word

You gotta talk to me baby  
You gotta let me know  
You're still in this with me  
We've got a long way to go  
Oh yeah

Oh yeah on e little word, one little touch  
One little look can mean so much  
Baby you got to believe  
In everything we can be  
One little word, one little touch  
One little look can mean so much  
Baby you got me to believe  
In everything we can be  
You don't know what it's worth  
To hear one little word yeah  
Hear one little word yeah yeah  
Hear one little word
