

Jennifer Holliday, A Dream Out There With Your Name On It

Stay strong, I tell myself
When things are going wrong.
There's times I'd love to be a winner,
As I see my chances growing dimmer
I hold on
To memories.

Small one, my mother said,
Your life has just begun.
You see the rain through stormy weather
But there's rainbows there
And things will soon get better
So hang on.

Cause there's a dream out there
With your name on it.
There's a wish somewhere,
Just waiting for you.
There's a star in the night
Whose light will be shining brighter
When that dream with your name on it
Comes true.

Stand tall, don't you be afraid.
You're sure to find your way.
And when that voice that's deep inside you
Says to take a chance,
That's what you've got to do.
Follow your heart, go where it leads you.
It's telling you

There's a dream out there
With your name on it.
There's a song somewhere
To lighten your heart.
There's a strength from within
You can depend on
When it seems that your schemes
Are falling through.

There's a strength from within
You can depend on
When it seems
That your schemes
Are falling through

There's a dream out there
With your name on it.
There's a wish somewhere
Just waiting for you.
There's a star in the night
Whose light will be shining brighter
When that dream with your name on it
Comes true.

Oh... comes true
