

Jennifer Hudson, And I Am Telling You

"And I'm Telling You I'm Not Going"

And I am telling you

Im not going

you're the best man I'll ever know

There's no way I can ever go

No, no, there's no way

No, no, no, no way I'm living without you

Im not living without you

I dont wanna be free

Im staying

Im staying

And you, and you

You're gonna love me, oohh ooh mm mm

You're gonna love me

And I am telling you

I'm not going

Even though the rough times are showing

There's just no way, there's no way

We're part of the same place

We're part of the same time

We both share the same blood

We both have the same mind

And time and time, we've had so much to share and

No, no, no, no, no, no

Im not waking up tomorrow morning and finding that there's nobody there

Darling there's no way

No, no, no, no way Im living without you

Im not living without you

You see there's just no way, there's no way

Please don't go away from me stay with me stay with me stay stay and hold me ahhhh yea stay stay

Tear down the mountains

Yell, scream, and shout like you can say what you want

Im not walking out

Stop all the rivers, push, strike, and kill

Im not gonna leave you

There's no way I will

And I am telling you

Im not going

You're the best man I'll ever know

There's no way I can ever, ever go

No, no, no, no way

No, no, no, no way Im living without you

Oh, Im not living without you, not living without you

I dont wanna be free

Im staying, Im staying

And you, and you, and you

You're gonna love me

You're gonna love me, yes you are

Ooh ooh love me, ooh ooh ooh love me

Love me, love me, love me, love me

You're gonna love me
