

# Jennifer Hudson, I Love You (Perfect Man)

Never met a man  
Quite like you  
Doing all you can  
Making my dreams come true  
You're strong and you're smart  
You've taking my heart  
And I'll give you the rest of me too  
You're the perfect man for me  
I love you I do  
Mm I love ya  
I've never ever felt  
Quite like this  
Good about myself  
From my very first kiss  
I'm here when you call  
You've got it all  
And confidence like I never knew  
You're the perfect man for me  
I love you I do  
You've got a charm  
You simply disarm me every time  
As long as you drive  
I'm along for the ride  
You're the way  
I said it before  
There won't be a door  
That's closed to us  
Putting all my trust in you  
Cause you, you'll always be true, Oh  
I never could have known  
This would be,  
Oh you and you alone, yeah  
Now for me  
I know you're the best  
You've passed every test  
It's almost too good to be true  
You're the perfect man for me  
I love you I do  
You're the perfect man for me  
I love you I do
