

# Jennifer, If You Were Here (B4 Za Beat Mix)

If you were here with me  
If you were here with me

The train's gone and I am standing alone  
I think of you and wonder if you think of me too  
I'm back to the town that I was born in  
to think of my life and to start it over with you

Cause you know we've been in a maze of love  
and we are losing control to get away  
Here I am walking on a hill in this town  
I gave my childhood that seems like yesterday

If you were here with me  
you could feel the way I do now  
If you were here with me  
you could see what I am looking for now

Cause you know we've been in a maze of love  
and we are losing control to get away  
Here I am walking on a hill in this town  
I gave my childhood that seems like yesterday

If you were here with me  
you could feel the way I do now  
If you were here with me  
you could see what I am looking for now

If you were here with me
