

Jennifer Kae, Do you love me

Truth be told, simple and bold
I think you're special
We can roll like a team, you know what I mean
See, I'm not gonna mess around
and I'm not gonna let you down
cause I do love you
This is know, this is kno-o-oow
Money makes the world go 'round
People will be people always
Baby, what goes up calmes down
This I know, so here I go
Do you love me

Hit or miss, here's what it is you are that someone
a diamond in the rough the real stuff
Now if goodness are to find,
then luck is a friend of mine,
cause I do love you
This I know, this I kno-o-oow
Money makes the world go 'round
People will be people always
Baby, what goes up comes down
This I know, so here I go
