

# Jennifer Kae, Little White Lies

Storm these walls,  
'Cos I'm not giving you the keys  
Let it go, let it go now, let me go and give me peace  
As cold as stone we are  
Or skin and bones, it's crazy  
What's done is done  
So hate me  
If it makes it easy?

(Ref)

So it's  
Good bye to your little white lies  
It wouldn't hurt to tell the truth sometimes  
I'm sweet, yeah you better believe it  
I'm not one to criticize  
But you never had a smile that could reach the eyes  
On three, on four  
Close the door as you're leavin'  
I have of late  
Considered how I feel  
And every day, every day now  
It's becoming clear  
I'm tired and wasted  
And I can't take it,  
So go ahead and hate me  
If it makes it easy

(Ref)

So it's  
Good bye to your little white lies  
It wouldn't hurt to tell the truth sometimes  
I'm sweet, yeah you better believe it  
I'm not one to criticize  
But you never had a smile that could reach the eyes  
On three, on four  
Close the door as you're leavin'  
Oooohhh yeah  
Self pray, salvation  
So damage invention  
I'm out of danger  
From your rudy nature  
From <http://6lyrics.com>  
So go ahead and hate me  
If it makes it easy

(Ref)

Good bye to your little white lies  
It wouldn't hurt to tell the truth sometimes  
I'm sweet, yeah you better believe it  
And I'm not one to criticize  
But you never had a smile that could reach the eyes  
On three, on four  
Close the door as you're leavin'  
Think that you should know  
Goodbye  
'Cos this time, this time you better believe it  
No more little white lies  
No more little white lies  
Close the door as you're leavin'  
Bye Bye
