

# Jennifer Lopez, Dear Ben, Pt. II

Tekst piosenki 'Dear Ben, Pt. II' z albumu 'This Is Me...Now' od Jennifer Lopez (premiera 16 lutego)

Sitting here alone, looking at my ring, ring  
Feeling overwhelmed, it make me wanna sing, sing  
How did we end up here without a rewind?  
Oh my, this is my life

Sitting here alone, knowing you will call me  
Look down at my phone and there's your caller ID  
Seeing all the signs and it gets me so high  
You make me sing

And when I think you'll let me down  
You lift my hopes  
And if I try to pull away  
You pull me close  
And you remind me why you are  
The man I chose  
These are the things I love the most, oh

Sitting here alone, looking at my ring, ring  
Feeling overwhelmed, it make me wanna sing, sing  
How did we end up here without a rewind?  
Oh my, this is my life

Sitting here alone, knowing you will call me  
Look down at my phone and there's your caller ID  
Seeing all the signs and it gets me so high  
You make me sing

Na-na, na-na, na-na  
Say you love me  
Na-na, na-na, na-na  
Do it again  
Na-na, na-na  
Oh, you love me so, I love you more

Na-na, na-na, na-na  
Say you love me  
Na-na, na-na, na-na  
Do it again  
Na-na, na-na  
Oh, you love me so, I love you more

You showed me what it is  
You showed me what I need  
I was missing a part  
You was the missing piece  
And we see eye to eye  
And we don't gotta speak  
Even miles apart  
We're never out of reach  
Seasons change but love remains, I'll show you  
Wrap my arms around you, I want to console you  
Look into your eyes, I can see it's the old you  
I'm committed, I'm in it, admit it, I adore you

And when I think you'll let me down, you  
You lift my hopes  
And if I try to pull away  
You pull me close  
And you remind me why you are  
The man I chose  
These are the things I love the most, oh

Sitting here alone, looking at my ring, ring  
Feeling overwhelmed, it make me wanna sing, sing  
How did we end up here without a rewind?  
Oh my, this is my life

Sitting here alone, knowing you will call me  
Look down at my phone and there's your caller ID  
Seeing all the signs and it gets me so high  
You make me sing, oh

Na-na, na-na, na-na  
Say you love me  
Na-na, na-na, na-na  
(Do it again) Do it again  
Na-na, na-na  
Oh, you love me so, I love you more

Na-na, na-na, na-na  
Say you love me  
Na-na, na-na, na-na  
(Do it again, do it again) Do it again  
Na-na, na-na  
Oh, you love me so, I love you more

Sitting here alone, looking at my ring, ring  
Make me wanna sing, sing
