

# Jennifer Lopez, On My Way (Marry Me)

Always knew you even when  
I didn't know you,  
Don't make sense,  
But it do  
I was on my way to you  
Every tear drop fell so heavy  
Hurt like hell but  
Heaven sent through  
I was on my way to you

And every heartbreak was a yellow brick road  
Pointing me straight,  
Just taking me home  
I was never lost  
I was just passing through  
I was on my way to you

Hope was hopeless,  
Faith was running  
Didn't notice you were coming through  
You were on your way too  
I was on my way to you  
And you don't believe in meant-to-be  
But somehow you were meant for me,  
It's true  
You were on your way too

And ever heartbreak was a yellow brick roas  
Pointing me stright  
Just taking me home  
I was never lost  
I was just passing through  
I was on my way to you  
I was on my way to you  
I was on my way to you  
I was on my way to you

On my way  
On my way to you  
On my way  
On my way to you  
On my way  
On my way to you  
On my way  
On my way to you  
On my way  
On my way to you

And ever heartbreak was a yellow brick roas  
Pointing me stright  
Just taking me home  
I was never lost  
I was just passing through  
On my way  
On my way to you
