Jennifer Lopez, Wrong When You're Gone

Guess I Should Have Shut My Mouth But I Had To Get It Out So Much For Being Headstrong Now Im, Going Halfway Out My Mind I Know I Was Outta Line No Scratch That, I Was Dead Wrong

Know I Shoulda Let It Go But I Just Had To Be Right Coulda Left It Alone But No, I Had To Be Right Swear I Woulda Just Fell Back If I Knew All I'd Be Left With Is These Shoulda, Coulda, Wouldas Cuz You're Gone

Now Im Here Trippin
Cuz You Came Up Missin
And My Head Keeps Spinnin
It's Gettin Outta Control
I'm Backin Down This Time
I Don't Wanna Fight
I Don't Care Who's Right

Cuz I'm Wrong When You're Gone When You're Gone (3x)

Heaven knows if you were here I'd be all up in your ear
Least you could do is answer your phone
Cause I realize my mistake
Baby I'll do what it takes
if I could just get you one on one

Know I Shoulda Let It Go But I Just Had To Be Right Coulda Left It Alone

But No, I Had To Be Right Swear I Woulda Just Fell Back If I Knew All I'd Be Left With Is These Shoulda, Coulda, Wouldas Cuz You're Gone

Now Im Here Trippin
Cuz You Came Up Missin
And My Head Keeps Spinnin
It's Gettin Outta Control
I'm Backin Down This Time
I Don't Wanna Fight
I Don't Care Who's Right

Cuz I'm Wrong When You're Gone When You're Gone (3x)

I Know I Pushed You Out Runnin Off At The Mouth Sayin All The Wrong Things Callin You Out Your Name I Was Unpredictable I Was So Emotional I Swear I'm Gonna Do Better Can We Get This Back Together Again

{Pre-Chorus}

{Chorus}

Cuz I'm Wrong When You're Gone When You're Gone

{Chorus}
