

Jennifer Love Hewitt, Don't Throw It All Away

maybe i don't wanna know the reason why
but lately you don't talk to me
and baby i can't see me in your eyes
i hold you near but you're so far away
and its losing you i can't believe
to watch you leave and let this feeling die
you alone are the only living thing that keeps me alive
and tomorrow if i am here without your love
you know i can't survive only in my love
can raise you high above it all

don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't thow it all away our love

(don't throw it all away)no no
don't throw it all away

we can take the darkness and make it full of light
let your love flow back to me
how can you leave and let this feeling die
this happy room will be a lonely place
when you are gone
and i won't even have your shoulders for the crying on
no other man's love could be as true
i'm begging you

don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love

you alone are the living thing that keeps me alive (yeah,yeah)
tomorrow if i'm here with your love
you know i can't survive no no
only in my love can rise you high above it all
SOOOO

don't throw it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
don't throw it all away our love
don't thow it all away our love our love
don't throw it all away our love
don't throw it all away our love our love
