

Jennifer Love Hewitt, I Always Was Your Girl

I know you're down again,
You see nothing but the rain.
You put your friends through hell,
that's why we get along so well.

You see, I always was your girl,
Always will be you and me against the world.
Ahhh. Hohh.

We know the years can give romance to the street where we once lived.
You wonder why no one called, between you and me, we scared them off.

Chorus 2x

Always was your girl, always was your girl

Maybe we're on the world is right but don't tell me that tonight.
So for sure then I've amusing guest, that's the way I like you the best.

Chorus.
