

# Jennifer Love Hewitt, You Can Dance, You Can J

Every day I wake up to another day gone by,  
Nothing but the open road and the never-ending why.  
Anything can happen, yeah, but nothing ever does.  
I try to change, it's kinda strange, the same as it ever was,  
But look at us...

How do I deal with you? how do I deal with me?  
When I don't even know myself, or what it is you want from me.  
How do I deal with us? how do I know what's real?  
When I don't even trust myself, or what it is I feel.  
And how do I deal?

Every night, in the dark, I lie awake in bed.  
How am I supposed to dream, with all the static in my head?  
In all directions and I take the relief.  
What can I do but feel the weight I'm underneath?  
And grit my teeth...

How do I deal with you? how do I deal with me?  
When I don't even know myself, or what it is you want from me.

How do I deal with love? (why do I) why do I have to choose?  
And everybody's tellin me, what the hell I have to do.  
And how do I deal with us? how do I know what's real?  
When I don't even trust myself, or what it is I feel.  
Now how do I deal?

How do I deal with you? how do I deal with me?  
When I don't even know myself, or what it is you want from me.  
How do I deal with love? why do I have to choose?  
When everybody's telling me what the hell I have to do.  
How do I deal with you? how do I deal with me?  
When I don't even know myself, or what it is you want from me.  
How do I deal with us? how do I know what's real?  
When I don't even trust myself, or what it is I feel?

How do I deal? how do I deal?  
How do i, how do i, how do i, how do i, how do I deal with you?  
At night I lay in bed, with static in my head.  
How do I deal...
