

# Jennifer Onesto, Here In The Darkness

Had a dream again somebody help me  
Take his image from my mind  
'Cause someone safe sleeps next to me  
But it's another face that's all I see  
It's a face that I remember I should never have set free

'Cause here in the darkness is where I am running  
Here in the darkness is where I belong  
Here in the darkness I find all my comfort  
Here in the darkness is where my lover's from

My mind goes out while I'm sleeping  
Takes me to a place that I don't belong  
It takes me from life's simple charms  
To another who all I did was harm  
It's a wanting and an aching  
For what might have been

Darkness come take me  
Don't let him wake me  
Darkness don't leave me alone  
And I know he's waiting  
Yes I know he's waiting  
I just know he's waiting  
I just shut my eyes shut my eyes

It's been years now since I've seen him  
I did not leave it in the best of ways  
So what's this that keeps haunting me  
I hear he's happy as can be  
Maybe I know he's happy,  
'Cause he's happy without me
