## Jennifer Rush, The last days of summer

| There are times | i can visualise | Lonely nights | without you ir | i my life Took a | a long time to s | see vvan |
|-----------------|-----------------|---------------|----------------|------------------|------------------|----------|
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
|                 |                 |               |                |                  |                  |          |
