

# Jennifer Warnes, Up Where We Belong

You alone know what tomorrow brings  
In a world where few hearts survive  
All I know is the way i feel  
And if it's real, I'm gonna keep it alive

Coz The road is long, there are mountains in our way  
But here do we climb still higher every day

Lord lift us up where we belong, where the eagles fly  
On a mountain high  
Lord lift us up where we belong, far from the world we know  
up where the clear winds blow

Some hang on to what used to be  
Stop Living your lives, looking behind

Coz All we have is you right now  
And All our lives, are in you to find

The road is still so very long, there are mountains in our way,  
But we climb them a step every day

Lord lift us up where we belong, where the eagles fly  
On a mountain high  
Lord lift us up where we belong, far from the world we know  
up where the clear winds blow

Time goes by, and sometimes we'll cry, He'll wipe every tear from our eyes  
Lord lift us up Jesus

Lord lift us up where we belong, where the eagles fly  
On a mountain high  
Lord lift us up where we belong, far from the world  
We know, where the clear winds blow
