

Jenny Lewis, Pelican Bay

Take me away, take me away
Their gonna take me away
To Pelican Bay
Pelican Bay, Pelican Bay
They gonna take me to Pelican Bay

They don't have no fishin' in the Pelican Bay
Room and board and free waits
Pelican Bay, Pelican Bay
They gonna take me to Pelican Bay

An eye for an eye
A man for a man
You kill one of mine, I'm takin' three of them
Strawberry wine is thicker than blood
When your kickin' back in the cut

And if the weak don't get you then the Charlie will
If the life don't reach you then Satan will
Pelican Bay, Pelican Bay
They gonna take me to Pelican Bay

They don't have no fishin' in the Pelican Bay
Sure is dull when you count the days
Pelican Bay, Pelican Bay
They gonna take me to Pelican Bay

Even the Lord will forget about us
Even the Lord will forget about us
Even the Lord will forget about us
Down on the Pelican Bay

They gonna take me to Pelican Bay
Take me to Pelican Bay
They gonna take me to Pelican Bay
