

Jeremiah Freed, Out Of Trust

Felt your breath and heard your smile,
shinin eyes that light up like the sun.
Different faces I know so well
Memories passed and new ones to be made

Can you admit it's been too long?
Either way I'm better off alone
I can't see to far, no...
But I can see you right by my side.

I know what I've done
I know what I've said.
I don't want you to go.
It's getting so hard, seeing you this way.

Please believe me,
To me you feel like home
and I wont forget you
but I need to do this on my own.

Can you help me now? I think I'm falling.
Can you help me find my feet again?
Can you help me now? I think I'm failling...out of trust

I'm falling out of trust.
