

Jeremiah's Grotto, Weight Of The World

I've seen it all come crashing down,
without warning, without a sound,
it's alright, it's ok, who'd have dreamed it's getting better,
it's alright, it's ok, who'd have dreamed of such as this,
it's not a thing we take lightly,
there's not a day that we escape,
what am I to say, what am I to do,
everything to gain, everything to lose,
what in the world are we supposed to do the world is on our shoulders,
all that I know, is give it all to you,
the signs of getting older, we will see in the end,
I see it all, much clearer now, without a veil,
without a cloud, we will see... in the end
