Late night and dreamin about
Your lovin
Girl you kno I I I [x2]
Don't need candles and cake
Just need your body to make it
[Chorus:]

It's the best day of the year girl
Birthday sex birthday sex
The spot the spot gonna hit that g-spot g-spot
See you sexi in them jeans got me on 10

Don't tap out fight until the end
Ring that bell and we gonna start over again
We grindin with passion cause it's yo birthday
Been at it for hours I kno you thirsty
You kissed me so sweetly
Taste just like hersheys
Just tell me how you want yo gift girl
Girl you kno I I I [x2]

The late night and dreamin about your lovin
Girl you kno I I I [x2]
Don't need candles and cake
Just need your body to make
[Chorus]
First I'm gonna take a dive into the
Water deep until I know I that pleased
That body body (ah ooh)
Or girl without a broom
I might just sweep you off yo
Feet and make you wanna
Tell somebody body how I do
Or maybe we can float on top my water bed
You close your eyes as I improv between
Your legs we work out from kitchens
Stoves and tables girl you kno I'm more
Than able to
You say you wanted flowers
On the bed but you got me
And I was on the bed
Girl you kno I I I [x2]
I been feenin wake up in
The late night and dreamin
About your lovin
Girl you kno I I I [x2]
Don't need candles and cake
Just need you body to make
[Chorus]
