

# Jeremy Camp, There Will Be A Day

I try to hold on to this world with everything I have  
But I feel the weight of what it brings, and the hurt that tries to grab  
The many trials that seem to never end, His word declares this truth,  
that we will enter in this rest with wonders anew

But I hold on to this hope and the promise that He brings  
That there will be a place with no more suffering

There will be a day with no more tears, no more pain, and no more fears  
There will be a day when the burdens of this place, will be no more, well see Jesus face to face  
But until that day, well hold on to you always

I know the journey seems so long  
You feel your walking on your own  
But there has never been a step  
Where youve walked out all alone

Troubled soul dont lose your heart  
Cause joy and peace he brings  
And the beauty thats in store  
Outweighs the hurt of lifes sting

I cant wait until that day where the very one Ive lived for always will wipe away the sorrow that Ive t  
To touch the scars that rescued me from a life of shame and misery this is why this is why I sing.

There will be a day with no more tears, no more pain, and no more fears  
There will be a day when the burdens of this place, will be no more, well see Jesus face to face

There will be a day, Hell wipe away the tears, Hell wipe away the tears, Hell wipe away the tears..t
