

Jeremy Jordan, A Girl Named Happiness

Happiness lights up a room when she smiles, you can feel her warmth from miles and miles and miles

Chorus: I wanna find me that girl, a girl named happiness, till then I've never been kissed, when I see

With every reason a season gone, it's never that fast believing that long, my harem-scream ways just

Chorus1: I wanna find me that girl (can't get her off my mind), a girl named happiness (she's the one)

Bridge: I don't know when she'll arrive, I'd be ready at any time...yeah..yeah..yeah... the days and nights

Repeat chorus 2x

A girl named happiness, a girl named happiness, meet me there
